Dear Parishioners,

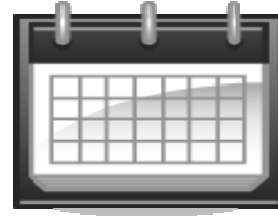

Jesus teaches in parables to confound his hearers to awaken us to the potential within us. When we no longer think that everything is exactly as it seems or that our way of seeing is all there is, then we can experience the mystery of God's presence within, around, between, beside, among and beyond us. The seed that grows while the farmer sleeps is not magic but organic. The sprout, grow stalks, head out, and ripen because the sun warms them, rain waters them, and earth nourishes them. A farmer in Jesus' time and all of us who grow plants today inherit the leap from the ocean to land that early cellular life made. We can ready the field, sow the seed, and sleep until harvest time. We depend on the miracle of life in seeds to grow and become food for us.

In the harvest in the parable we can see not only wheat but ourselves. Jesus identifies the seed with the word in Mark 4:14. Like seed Jesus' teachings take root and grow in us. The person of faith realizes our lives of eating, sleeping, working, and playing are more than meets the eye. God is present in our lives in every here and now. Like the seed the Church is alive and dynamic. As Church we experience the same problems that human beings contend within relationships and communities. Change comes slowly. Leaders disappoint. Scandals cause some to sever any connection with Church. The Church grows toward the reign of God but isn't yet. Our baptisms call every Christian to holiness. We have the capacity to love and forgive, to heal and hope. These seeds of community building live within us. Each one of us can act and make change in our Church and world. We can sow new life in cooperation with the Giver of our lives, who works even when we sleep. The reign of God overturns our expectations and confounds our sense of being in charge. In this reign poor is rich, weak is powerful.

And to all the fathers, God-fathers, grandfathers, and great-grandfathers may God's blessing come down upon you on this fathers day. Thank you for your support toward your families especially here at Saint Roberts.

God Bless

What is the YLI

YLI is an organization of Catholic Women dedicated to the Christian principles of charity and Love. YLI was founded in San Francisco on September 5, 1887, by three young women inspired to help an ill friend. Approximately 8500 women belong in California, Oregon, Washington, and Hawaii. Our history reflects a sisterly care and concern for each other and for those in need. Our purpose is to help others in our organization, our church and our community. We are an organization for all seasons of life. Some joined just out of high school, some were "Social Security age" and many in between; but we know that: When there is a need – YLI Sisters will be there. Please consider joining the YLI. No More War

As children continue to die in the wars throughout the world, let us recall the words written in the year of the Vietnam war.

Fr. Ring

Can you hear the prayer of the children?

On bended knee, in the shadow of an unknown room
Empty eyes with no more tears to cry
turning heavenward toward the light.

Crying," Jesus, help me
to see the morning light of one more day,
but if I should die before I wake,
I pray my soul to take."

Can you feel the hearts of the children
aching for home, for something of their very own.
Reaching hands with nothing to hold onto
but hope for a better day, a better day.

Crying," Jesus, help me
to feel the love again in my own land,
but if unknown roads lead away from home,
give me loving arms, away from harm."

Can you hear the voice of the children
softly pleading for silence in their shattered world?
Angry guns preach a gospel full of hate,
blood of the innocent on their hands.

Crying," Jesus, help me
to feel the sun again upon my face?
For when darkness clears, I know you're near,
bringing peace again."
