Dear parishioners and friends of St. Robert's,

Many times, the things we complain about are the good things.

We grumble about having too much work while others don't even have any work. We complain waking up early in the morning when others don't even have a reason to live. We complain about gaining weight when others don't even have food on their tables. Everyday, the Lord fills our lives with so much goodness.

All we need to do is open our eyes and give thanks for each of them...

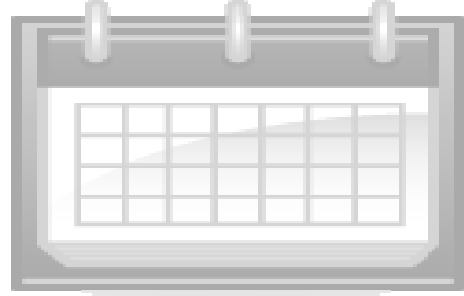

Have a fruitful day!

-Fr. Arnold

### "Searching but not found."

We are still searching for a **new music director** who can play the organ and piano, direct the choir and plan the liturgies for our celebration. We are also still looking for an architect or a landscaper who can give us a design for our proposed **Grotto**. We lost the long metal door key for the side door. The search will be over with your help.

As we enter the month to honor Mary, let's give a thought on erecting a Grotto of the Blessed Mother outside the church. I already have a sponsor for the statue. We are now looking for an architect or a designer and, of course, some additional funds for the work. Maybe you can direct us to the right persons or maybe you are one of them. A great way to deeply honor our Blessed Mother!

**As a community of faith**, we pray for all the innocent people impacted by war, may God protect them.

### **Archdiocesan Annual Appeal**

Additional good news is that this year our goal is lower than last year. I humbly ask all of you to support this appeal as I hope and pray for a better participation. It doesn't really matter how big or how small as long as we all participate because it is a reflection of the many parts working together in one body and it shows the greatness of our community. Like the Golden State Warriors mantra: "Strength in numbers."

## Sister Hope

The Archdiocesan Mental Health Ministry is pleased to offer Sister Hope to people of the Archdiocese.

What is Sister Hope? Sr Hope is a 'chatbot' – it is an AI (artificial intelligence)-driven response to text messages from anyone experiencing anxiety and depression, especially given the additional stress and isolation imposed by Covid. It will respond to text messages, and offer suggestions and positive feedback, and help you think of ways to improve your situation. Sister Hope is a new 'religious' version of a program that has already been in use - in a secular version - by millions of people.

How do I get access to Sister Hope? There are two ways:

- 1. Text 1-478-999-1080 - or -**
- 2. Go to Facebook, search for @SisterHopeSF, and select the icon that looks like a nun**

## E-Bulletin

Stay in contact with Saint Robert's with our Ebulletin through J.S. Paluch, e-Publications is a simple way to communicate with our parishioners

If you would like to receive our E Bulletin from JS Paluch please sign up at <https://ebulletin.jspaluch.com> or <https://www.jspaluch.com/Subscribe>
