Dear parishioners and friends of St. Robert's,

Improve yourself.

Be someone better but stay as yourself.

Forget who hurt you yesterday but don't forget who loves you every day.

Forget the past that made you cry and focus on the present that makes you smile.

Continue to be an instrument of God's blessing to others!

God's peace with you!

-Fr. Arnold

### Church Heating update

Last Tuesday, representatives from 3 companies with Steve Bowers, the Director of Building Construction of the Archdiocese and Rob Aveson, our Parish Pastoral Council chair, conducted a "walk through" in our church as part of the bidding process for our church heating system project. We hope to get 3 bids within 3 weeks.

**Face coverings  
required here.**

**Thank you.**

Aligning with the Archbishop's directive, we will continue to wear masks and socially distance inside the church, including lining up to receive Communion. Everyone's health and safety is our top priority, especially with the Delta variant and the number of children and pregnant parishioners that attend mass in-person.

**Vaccination Update:** The Delta Variant is on the rise. Vaccination is very important for your protection. **Ryan Quock**, our young vaccination ambassador has put up a short survey so that we may gain an insight into the people within our St. Robert's/San Bruno community. Please take the survey by clicking the link below

**Parish Office will be open** Monday - Friday from 8 AM to 1PM. It is important to us to be available to the parishioners of St. Robert. In case nobody answers the door, please leave a note in the mailbox or call with the best way to get in touch with you.
