Dear Parents,

WOW! First Communion is fast approaching. Some of you may not be aware that individual videotaping of the celebration **will not be permitted**; however, Father Obet has allowed us to hire a videographer. This year we have contracted with *West Coast Videography* to capture the full ceremony of First Communion on DVD for **\$20 per copy**.

Please fill out the order form below and enclose a check (NO CASH) payable to *WEST COAST VIDEOGRAPHY*. Please return check and order form by *Tuesday, April 20, 2010* to the School or Religious Ed Office. Please mark the envelope ***COMMUNION DVD ORDER***.
