Dear Parishioners,

As student work is taken off the walls, desks are cleared out and cleaned off, and final grades are entered into gradebooks, the anticipation of summer can be felt in the air. It is hard to believe it was only ten short months ago that eager faces were wondering about their new teachers and new curriculum. When I look into those same faces today, I see the confidence and growth which has taken place.

Saint Robert School provides a unique educational experience for each of our students because we are not just a school but a community. Our community is built of all Saint Robert parishioners who through prayers, time and support contribute to the development of the students in the school. I would like to say thank you for celebrating with us in our school Masses, watching the students in the opening acts of the Parish festival, donating your time to work Centerplate games and other Parish events, and providing role models of the Catholic values we teach each day. It is said it takes a village to raise a child, but at Saint Robert, it takes a Parish to raise a child.

I hope everyone has an enjoyable and safe summer.

God bless, Yvonne Olcomendy

Living the Liturgy

God's Faithfulness

I've had two wonderful experiences last month. The first was the Jubilee Celebration of my Sisters who've spent 75, 70 and 65 years as Franciscans! Elizabeth has been a teacher and principal for years and more recently worked with seniors in an activities center. Marilyn was a nurse and founded our hospital in Santa Maria (whose board I sit on) and an adoption agency in Las Vegas through Catholic Charities. Norine taught Spanish for years, worked in Mexico with an intercultural exchange program for high school students and, more recently, at the reception desk for the hospital and as a tutor for employees wanting to learn English or Spanish. 210 years of faithful, loving service among them! I thought of all the changes they've seen in their lives in the community, in the Church and in society. And with God's help, they've grown and believed and changed. How blest we are to have many wise elders in this parish who have done the same! (By the way, I'm gone all this week at our every-four-years community meeting during which we set our direction for the next four years and elect our leaders.)

The other experience I had was the advocacy training sponsored by the Archdiocesan Office of Public Policy. There were nine of us there from the parish and an equal number from St. Dunstan's. We were born in Ireland, the Philippines, Brazil, Zimbabwe, St. Louis and the Bay Area. The evening began with a power walk, letting us experience how people in various personal, financial and job-related situations feel powerful or powerless. We then saw a fascinating video showing the reality of our global family in terms of age, religion, race and demographics. "If the world's population were reduced to 100, it would like something like this..." You can view it on your computer at www.MinatureEarth.org. We reviewed a case study involving the mistreatment of widows in Zimbabwe. How amazing to have Zimbabweans present to give us the necessary cultural background to the situation! We discussed four bills pending on the state and federal levels and talked about the necessity of being politically active if we want our Catholic values to influence legislation.

Today is the Feast of the Most Holy Body and Blood of Christ and beginning this weekend, we'll be receiving Communion under both species again (for those who wish), holding hands at the Our Father, and greeting each other at the Sign of Peace in our usual ways. I offer just one simple thought on this major feast, an enduring sign of Jesus' faithfulness to the promise to be with us always. When we say "Amen," we are professing our faith in the presence of Christ in the Eucharist, but also in everyone we meet and in our global neighbors. May the Spirit of God grant us the grace to see the Lord in those we love and those we don't love as we ought and to act accordingly! Peace to you and yours. **Sr. Sheral**

CORPORAL WORKS OF MERCY

Corporal Works of Mercy is a St. Robert's organization that assists parish families in need due to illness, injury or death. The services that have been provided are mainly dinners but we've also collected money for housecleaning and other needs. Providing a hot meal or housecleaning service greatly eases the burden for those in crisis. A simple act of kindness benefits both the volunteer and the recipient and strengthens our parish. St. Robert's is a great community and Corporal Works of Mercy is a terrific way to contribute. We would like to compile a list of names of those willing to provide a meal for the next family that is having a difficult time. If you would like to be added to this list, please contact Nancy Marty at nancym@sanbrunocable.com or (650) 588-4740. **Thank you!**

St. Vincent de Paul Can Help

Do you know a member of St. Robert's Community who is being squeezed by hard times? St. Vincent de Paul can help with groceries, emergency assistance with rent/utility bills, and vouchers for furniture/clothes. All requests are confidential. Call 343-4403 for further information.

"St. Robert's School
will be selling paper scrip
and
scrip gift cards
after all Masses
next weekend.

Farewell

**FAREWELL
AND GOOD LUCK TO
HANSEL**

Hansel, will be outside the front of the church at all the Masses on the 27th and 28th. Come send him off with your good wishes!
