Dear Parishioners,

On this Sunday, the Church celebrates the Solemnity of the Most Holy Trinity. The Most Holy Trinity is a mystery. Reflecting upon the life of Jesus enables us to gain an insight into this wonderful mystery. At the Jordan River, the identity of Jesus is revealed. A voice came from the heavens saying, "This is my beloved Son with whom I am well pleased." God professes who Jesus is.

God wants the whole world to know that Jesus is his beloved Son. We come to realize then that God is the Father of Jesus. The Spirit of God rushes upon Jesus to anoint him as the Promised One. Jesus is sealed with the fullness of the Holy Spirit. It is this Holy Spirit that will empower Jesus to do his Father's work and to live as an obedient Son.

From the baptism of Jesus, we come to the realization that there is a special relationship between Jesus, God and the Holy Spirit. They are interrelated. There is a special and intrinsic bond between them. This special bond is revealed in the gospel of John. For God so loved the world that he gave his only Son so that everyone who believes in him might not perish but might have eternal life. Love unites the three persons of the Most Holy Trinity as one. The three persons of the Most Holy Trinity are rooted in love.

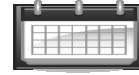

It is this love that is expressed in three unique ways. Divine love is unconditional. Divine love is self-giving and self-sacrificing. The world is embraced by and engulfed in the love of God. Every living creature is called to live in God's love. Love unites humanity. The love of God has been poured out upon us and penetrates our inmost being. Love transforms us to be fully human and fully alive. There is a myriad of cultures in the world, but there is one love. Love bonds all of humanity as one People of God. No matter where one goes in the world love unites us together.

## **From the desk of the Pastor Parish Pastoral Council**

First of all, I would like to congratulate the **Kindergarten Class of 2011**. They have done a great job in preparing themselves to transfer to the big school for first grade. I asked a kindergartner if she is excited to move to the big school and she said yes. And I told her that she will be in school until 3PM. And she said, "That's seven hours!" I was very impressed that she knows her arithmetic counting the school hours.

A lot of thanks too and congratulations to **St. Robert's Fil-Am Group** for sponsoring the **Philippine Madrigal Singers'** concert on June 11<sup>th</sup>. Our parishioners and visitors were treated to a truly world-class performance by the **Madz**. Those who attended the concert said that it was a night to remember.

Let's continue with our discussion on the Parish Pastoral Council. Last week we discussed the nature of Membership. We will now focus on committees and the council's relationship to the parish.

### **Committees**

Most pastoral council committees are usually two types: an executive committee and a variety of ad hoc committees, which disband after they have accomplished their task.

**Executive Committee.** The executive committee usually consists of the pastor and the council officers (chairperson, vice-chairperson, and secretary). The pastor presides over this committee which determines the agenda for council meetings and sees that the members have copies of it. Parishioners may submit items for the agenda to this committee. The committee may react by placing it on the agenda or by determining that the item should be dealt with by some other group (pastoral staff, parish organization, finance committee). In either case, the parishioner should be informed of the committee's decision.

**Ad Hoc Committees.** It is helpful for the pastoral council to form ad hoc committees that can aid it in its tasks of studying an issue and reflecting on it. These committees can be helpful in gathering data, taking surveys, polling parishioners or consulting experts. When the task assigned has been completed, the committee ceases to be.

### **Relationship to the Parish.**

The pastoral council is not a group of experts in various fields of ministry but rather a gathering of people who represent the wisdom of the parish. They are able to tell, from the many options possible, what is right for the parish.

Parish staff may sit on the council, but usually they do not, and appear at meetings when they are needed for their input. Parochial vicars and pastoral associates should participate by virtue of their office because they work with the pastor to realize the care of the parish.

The pastoral council does not coordinate parish organizations; that ministry is the pastor's. But the council members should be aware of the role and purpose of each organization in order to advise the pastor should he have issues about them.

### Children's Summer Lunch Bunch

Thank you so much to all of you who gave me money or signed up to help with our efforts to provide food for the children of San Bruno who receive free or subsidized lunches during the school year. Boxes are in the vestibule for your donations of child-friendly non-perishables: peanut butter, jelly, graham crackers, raisins, unsweetened applesauce, cereal (corn flakes, rice crispies, raisin bran – not the super sweet ones, please!) and cookies. We'll also accept financial donations which will enable us to buy whatever we need to round out the bags of food. If you put your check in the collection, please make it out to St. Robert's Church and put "Summer Food Program" in the memo line. We can still use some volunteers to help bag the food on Mondays at 1 pm from July 11 through August 15 and on those Tuesdays from 10 am until 12:30 to transport the bags to Belle Air and distribute them there. Please e-mail me at [sheralmar@aol.com](mailto:sheralmar@aol.com) if you have questions. Today's Feast of the Most Holy Trinity is about our God being a community of loving persons. Thank you for helping us mirror our God in our love for our young neighbors!

**Peace,  
S. Sheral**
