Dear Friends,

I sit here on our deck, warmed by the October sun. Gene's white butterfly playfully circles my head. When you read this, it will be "Respect Life Sunday". Pope Francis, on September 20th, at a gathering of gynecologists said: "Every unborn child, though unjustly condemned to be aborted, has the face of the Lord, who even before His birth, and then as soon as He was born, experienced the rejection of the world. And every old person, even if infirm and at the end of his days, carries with him the face of Christ. They must not be thrown away."

As Christians, we need to express our views on the sanctity of life from conception until natural death. We can send letters to our government leaders, asking them to reach deep within their hearts before making decisions on life issues; reminding them that life is sacred and only God has the authority to give it and take it away. We can encourage, support and help women who are in the midst of a difficult pregnancy; lovingly minister to women who have had an abortion; give to the poor, the hungry and homeless; take care of people who are ill or elderly. Let us continue to pray that each God-given life is respected, protected and loved.

Jesus is with us throughout our life in all its stages. He asks us to open our eyes to see Him in everyone who suffers. He wants us to love them; to reach out and help them – for it is in these precious children of God that Jesus lives!

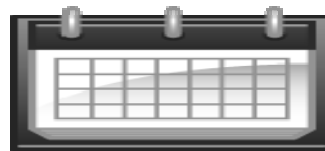

Love Life – Live Love!

Anna May

Join in Prayer for Our Country

With so many challenges facing the leadership of our country and its people, especially the poor and immigrants, our prayer together is very important. All across the country, rosary rallies, sponsored by America Needs Fatima, will take place.
