TREASURES FROM OUR TRADITION

As we approach Holy Week, the creative juices of the ancient church of Jerusalem begin to shape our journey. In old Jerusalem at this season of the year, the attempt was made to recall the events leading up to Christ's passion. Those attempts were based not only on time, with celebrations of events as close to the day and hour as possible, but also on people's best guesses as to the actual place of these events. Vast numbers of pilgrims flooded the city during the forty days of Lent, many of them catechumens in their last stages of preparation for initiation. The fourth-century Spanish nun Egeria wrote a delightfully detailed diary of her experience of this lively and aerobic liturgy, which involved hearty singing, strong preaching, and nimble processions across vast and arduous terrain.

Much of this energy was lost over the centuries, with the procession of palms a noteworthy exception. Northern climates had to reinterpret this Jerusalem liturgy, using forsythia, willow, or olive branches, but to this day the entry into Holy Week by a community on the move accompanied by joyful song hearkens back to a venerable tradition. Egeria's letters were rediscovered a little more than a hundred years ago, but they reveal a pattern of prayer: full, conscious, active participation, to which we have a right and a duty.
