Dear Eucharistic Ministers,

I pray that you’re having a fruitful Lenten season. I apologize for all the e-mails you’ve been receiving. These are unusual times to say the least! Please find attached the adjusted schedule for the COMING THREE WEEKENDS. If you were at Mass last weekend, you’re aware that we will not be offering the Cup at any of the Masses for the foreseeable future, while we see what course the Coronavirus takes. Consequently, only 3 EMs are scheduled, since the celebrant is the fourth person to be distributing the hosts. The three were chosen in alphabetical order for simplicity sake. If something should occur that you are on this schedule and not able to be present, please as always, contact someone usually at your liturgy to take your place.

I’ve only adjusted the first three weeks at this point. I’ll do my best to keep in touch with everyone as things develop and to have an accurate schedule in the bulletin for the following weekend. Assuming that we will celebrate Holy Week, we’ll probably need 2 more EMs for the 4:30 and 11:30 Masses on Palm Sunday even if we only offer the hosts. We need EMs for the 11:30 am and 5 pm on Easter Sunday as well. If you can fill in any of these positions, please let both of us - Erica and myself - know ASAP.

Thank you very much!
Erica and Sheral
