

St. Robert School Board
Minutes

January 19, 2006

7:25 Meeting called to order

Attendees: Father Bruce Dreier, Principal Yvonne Olcomendy,
Board Members: John Grealish, Jean Jauregui, Steve Mitchell, Pat Controneo

Minutes: Minutes from the November 17th Meeting were approved

Pastor's Comments:

Old Business: The Brochure is ready, but it seems prudent to wait until the end of the year, since the open house and kindergarten applications have passed. It will be paid out of the current budget in May or June and be ready for the fall of 2006.

New Business: John Marty passed an item along for discussion. The metal poles that support the basketball hoops in the yard could pose a problem if a student fell into them wrong. Although nothing has happened to date, an article noted a serious injury to a student in another state. Fr. Dreier informed the board that this has already been brought to the attention of the athletic board and that Bart Murphy is looking into foam covers.

Jean Jauregui proposed that the school explore the possibility of the use of a web based approach to filling school supply lists for the fall. Schoolkidz.com is a company that will fill the items and send them to the school for the start of the academic year. Jean is going to get quotes for three of the grades and compare for costs purposes.

Principal's Comments: Yvonne Mentioned that there is a night a Capucino regarding gangs on February 16.

Meeting Adjourned: 8:20 p.m.

Next Meeting scheduled for Thursday March 16th.
